August 23, 2018

Dear Parents:

Welcome to your child's educational journey for the 2018-2019 school year. Our school district's mission is to EMBRACE – ENGAGE – EDUCATE. We are motivated to 'Embrace' students and parents to learn about their needs and interests in order to build stronger relationships. Once those relationships are established, we can 'Engage' students in relevant learning opportunities based on their individual needs and then work to 'Educate' students with real world challenges filled with rigor, creativity, and critical thinking. I am very excited for our new school year as we will continue to look to implement many initiatives to improve student achievement. This will include literacy for all, social emotional learning, STREAM, creating and sustaining positive learning environments, and creating partnerships with our stakeholders. Your interest and participation in your child's education is paramount and I encourage you to partner with us to learn more about the curriculum and programs that we have in place. Please refer to our District Website, www.eht.k12.nj.us, to become familiar with our schools and receive current news via our colorful informational banners. I also encourage you to view our social media pages located on Facebook, Twitter, LinkedIn and Instagram. We plan to have many events for parents in our schools to help you learn about our programs and to partner with us.

The following is general information designed to answer many of your initial questions associated with the start of this new academic year:

1. Start of the Academic Year

The first day of school for students will be on Thursday, September 6th. Both September 6th and 7th will be half days of school. Please take note of the times for a half day for your child's school and plan accordingly.
